Fever

Meiko

Never know how much I love
Never know how much I care
When you put your arms around me
I get a fever that's so hard to bare
You give me fever when you kiss me
Fever, when you hold me tight
Fever, in the morning
And fever all through the night
Sun lights up the day time
And the moon lights up the night
I light up when you call my name
And you know I'm gonna treat you right
You give me fever when you kiss me
Fever, when you hold me tight
Fever, in the morning
And fever all through the night
Everybody's got the fever
It's all something you all know
Fever isn't such a new thing
Fever started long ago

Everybody's got the fever
It's all something you all know
Everybody's got the fever
Fever started long ago
You give me fever when you kiss me
Fever, when you hold me tight
Fever, in the morning
And fever all through the night
You give me fever when you kiss me
Fever, when you hold me tight
Fever, in the morning
And fever all through the night
What a lovely, what a lovely
What a lovely way to burn
What a lovely, what a lovely
What a lovely way to burn
What a lovely, what a lovely
What a lovely way to burn

What a lovely, what a lovely
What a lovely way to burn
