

Cock Pushups

Franky Fearless

Do you think that um, do you think that when the album, when this is out

Yeah?

Do you think it will make us um, more attractive to the ladies?

Pshh, yeah, in fact, I been getting ready

Yeah?Yeah, I been doin' cock pushups

Cock pushups?

Yeah

What are those?

It's where you fuckin' lay down flat on the ground

YeahAnd then you let your boner lift you up off the ground

No, that's, that'd be impossible, your cock can support your whole weight?

Well not at first

Yeah?

But over timeHmm, how, how many pushups can you do?

Cock pushups?

Yeah

I guess you could only do one really

Yeah, well one is all ya need
