

# Just a Few More Miles

[Dave Dudley](#)

Advisory - the following lyrics contain explicit language:

Well I'm all packed up and I'm almost ready to go  
This big G-model runs every way but slow  
When I get tired while I'm on the way instead of stoppin' I always say  
Just a few more miles and I'll rest for a little while  
I been a runnin' all night makin' time like I never seen  
My sweet baby's waitin' for me back in New Orleans  
I saw a sign that said arrive alive I thought I better stop and let Benny drive  
Just a few more miles and I'll rest for a little while  
I got a date with an angel gotta make my turn on time  
Can't stop to sleep gotta movin' on down the line  
For slow movin' traffic it might be best to notify Fort Worth and all points west  
Just a few more miles and I'll rest for a little while  
[ guitar ]  
I been a runnin' with a Jimmy since I left El Paso  
I'm pullin' 44 thousand give or take a pound or so  
He tried to pass me like I knew he would then he saw that bulldog on my hood  
Just a few more miles and I'll rest for a little while  
In a few more hours I'll be with my baby again  
Ain't had no sleep since I can't remember when  
Tonight I'm a gonna paint the town tomorrow I'll be San Diego bound  
Just a few more miles and I'll rest for a little while  
Yeah a few more miles and I'll rest for a little while  
Just a few more miles and I'll rest for a little while
