

# Skin Deep

[Melissa Etheridge](#)

Well I ain't asking you to keep no secrets  
My reputation already shot  
Ain't asking you to commit reason  
Just tell me if you like it or not Like it or not, baby  
That's the way I want it to be  
Don't give your heart and soul  
My love is only skin deep I'll give you my time and money  
And I'll give you somewhere to sleep  
But don't ask me for my heart and soul  
My love is only skin deep  
My love is only skin deep  
My love is only skin deep I ain't looking for no blue-eyed lover  
That's what stole my baby away  
I can see your eyes are darker than midnight  
And that's the time that I want to play I want to play, baby  
Well that's the way I want it to be  
Don't give me your heart and soul  
My love is only skin deep I'll give you my time and money  
And I'll give you somewhere to sleep  
But don't ask me for my heart and soul  
My love is only skin deep  
My love is only skin deep  
My love is only skin deep I'll give you my time and money  
And I'll give you somewhere to sleep  
But don't ask me for my heart and soul, no  
My love is only skin deep, baby  
My love is only skin deep Don't even ask me baby  
Don't even ask me  
No baby  
It's only, only skin deep, baby
