

# You're All The Same

## Ceremony

Fuck your catchy one-liners.  
Fuck your dress to impress.  
You can go fuck yourself with that trendy shit.  
Fuck your bad attitudes.  
Fuck your weak high class.  
Fuck all you pretenders; keep your life of trash. Fuck your catchy one-liners.  
Fuck your dress to impress.  
You can go fuck yourself with that trendy shit.  
Fuck your bad attitudes.  
Fuck your weak high class.  
Fuck all you pretenders; keep your life of trash.
