

All for You

Janet Jackson

All my girls at the party
Look at that body
Shakin' that thing like you never did see
Got a nice package alright
'Cause I'm gonna have to ride it tonight
All my girls at the party
Look at that body
Shakin' that thing like you never did see
Got a nice package alright
Edit four, three, two, one
It's all for you
If you really want it
It's all for you
If you say you need it
It's all for you
If you gotta have it
It's all for you if you make a move
It's all for you
I see you staring out the corner of my eye
You seem uneasy want to approach me, throw me a line
But then somethin' inside you grabs you says who am I
I know exactly 'cause it happens with all the guys
So you so what you gonna do?
Come on and talk to me
Promise you won't even have an attitude
I'll let you sit right next to me
Don't join the list with the other fools
That ain't the way to be
Yes, it's cool
Yes, I'm in the mood
Intimidations got that mind
It's all for you
If you really want it
It's all for you
If you say you need it
It's all for you
If you gotta have it
It's all for you if you make a move
It's all for you
It's all for you
Tell me you're the only one
It's all for you
Soon we'll be having fun
All for you
Come over here and get some

It's all for you if you make a move
It's all for you Can't be afraid or keep me waiting for too long
Before you know it, I'll be outta here, I'll be gone
Don't try to be all clever, cute or even sly
Don't have to work that hard
Just be yourself and let that be your guide So you, so what you gonna do?
So come on and talk me by
Promise you won't even have an attitude
I'll even let you sit right next to me
Don't join the list with all the other fools
That ain't the way to be
Yes, it's cool
Yes, I'm in the mood
Intimidations every time It's all for you
If you really want it
It's all for you
If you say you need it
It's all for you
If you gotta have it
It's all for you if you make a move
It's all for you It's all for you
Tell me you're the only one
It's all for you
Soon we'll be having fun
All for you
Come over here and get some
It's all for you if you make a move
It's all for you All my girls at the party
Look at that body
Shakin' that thing like you never did see
Got a nice package alright
'Cause I'm gonna have to ride it tonight All my girls at the party
Look at that body

'Cause I'm gonna have to ride
