[Intro: Tez w/ Tajiee talking in background]

Yo!

Where all them niggaz that think they can hang they shit
when they get locked nigga knahmsayin?

That shit ain't no joke

That shit is serious nigga

Can you hang with the bankers and the rollers
when you get locked nigga?

Whassup nigga? Lemme know...[Tez]

Whatcha gon' do?

When ya first get there and they got ya heart bumpin

A bunch of niggaz in the yard sufferin

No you can't run when them motherfuckers start somethin

Tell me what ya gon' do

Can you sling it from the shoulders? Are you hangin wit the holders?

Tell me what ya in fo' - can ya maintain the pain

comin from the bankers and the rollers

Was that glock in ya back or som'in?

Did ya have to go and kill that bitch?

So ya robbed the Seven Eleven and got caught,

now nigga tell me do ya feel that rich?

Ol' fake-ass nigga, momma got a Benz, daddy got a Lex-O

All ya had to do was go school nigga,

tryna act a fool, better chill with ya sets yo

Nigga tell me now, whatchu gon' do?

Now ya stuck in jail from passin out endo

Never chillin with ya kinfolk,

Scratchin paper on my life through the poly-glass window

Tell me whatchu gon' do?

When ya got a headache, ain't got no aspirin

Don't even bother askin 'em

better watch out for the nigga tryna get up in ya ass again

Beyotch! [Hook] - 2X

Whatchu gon' do - when you ain't givin no luck? (I don't know yo)

Whatchu gon' do - when niggaz don't give a fuck? (I don't know what)

Whatchu gon' do - say yo you betta get up (alright alright)

Whatchu gon' do - somebody bout to get touched (not that tonight) [Tajiee]

Whatchu gon' do

When ya can't haul cats like you did on the block before?

Niggaz don't care about you coppin dough
Niggaz couldn't care less about drops and clothes, yo[Tez]
Whatchu gon' do?
When ya got a phat house and ya used to tips
Versace; it used to fit
Now it's bum pants, yain't used to this
Fuck nigga[Tajiee]
Whatchu gon' do
When them same ol' cats that you once had beef with
Now you gotta eat with? -- If it was up to them,
they'd be the same ol' cats you gotta sleep with, yo[Tez]
Whatchu gon' do
When it ain't no sippin on that Henn.. gettin up in the pens..
No sympathy and no friends...?[Tajiee]
Whatchu gon' do
When ya girl come through, hollerin it's ova
And she want the kids house and the Range Rover?
Smellin like liquor, charge in with a hangover, huh[Tez]
Whatchu gon' do
When ya tired of books, can't stand that beef?
Chillin with a man that's sweet
Now ya girlfriend messin witch a man named Meat, uhh[Hook] - 2X[Tajiee]
Whatchu gon' do - when it comes to the end
Sittin it the court with a 514, and ya girl in the back cryin
And ya can't take it back
Tears on ya face and ya hands and ya lap
It's consequence, shakin in ya boots no competence
What happened to the cat on the block with the fo'
that'll pop if a nigga show confidence?
Gotta stay locked up, stay boxed up
Stay liftin weights nigga, stay rocked up
Gotta stay with them cats who'll stay oxed up
For ya own good nigga betta stay cocked up
Cuz it's a million more cats that's harder than you
Ten times bigger than you, quicker than you
Who really don't care livin with who
With nothin to live for, wanna stick it to you, huh?[Hook 2]
Whatchu gon' do? - When you can't sleep and you feel outta place
Whatchu gon' do? - When niggaz creepin, won't get out yo face
Whatchu gon' do? - With out no heat you just gon' have to stay
Whatchu gon' do? - And anyday, you might get tooke out anyway
