Immortal

The Rasmus

Straight signs, crooked signals
Strike down my stereo
Heavens bending
While the world begins to break
Life is ending
Time has come to escape
Down to the chambers

[Chorus:]
Drink this blood and we'll become
Immortal baby
This love is breaking the one last bond

We chose the silence
Hatred, cruel violence
We should be ashamed
We had a chance that we ignored
Now its too late
And its knocking on the door
Ready to frame us

[Chorus]

Surrender to my love
And sacrifice your soul
You're picturing the fate
Its fading like a ghost
Never say goodbye
Never be alone
Never say goodnight
Never say did I

[Chorus]

Immortal love is breaking the one last bond
