Starchild

Level 42

When I was an infant in my mother's arms
I would watch the starlight in her face
'Cause I was reaching out to understand the cosmic charm
I am just a starchild born in spaceWay up high above the sky, all that beauty passes by
Whole worlds still unknown

And out beyond the blue, there's a place for people too
It's time for us to goI have seen the sun shine bright in paradise
I have been there, I have seen itWay up high above the sky, all that beauty passes by
Whole worlds still unknown

And out beyond the blue, there's a place for people too
It's time for us to goWe have time
(In my dreams)

Time and space, while we're young

(Floating free)

We can chase to the starsSearching for the magic in the universe
Guided by the stars that light my way
I have seen the sun shine bright in paradise
I am just a starchild born in space
