

# Streets of Baltimore

## Bleed The Dream

I must've drove this street a millions times  
At least a thousand times before  
It's always beautiful in the fall time  
To walk the streets of Baltimore And you say that things would stay the same  
But I know I'm gonna miss the changing of the leaves this year  
And I know I'm gonna make it back there  
As soon as I find myself I use to fall asleep at Double Rock  
Without a penny to my name  
That's what made me dream my dreams  
Because I had everything to give And you say that things would stay the same  
But I know I'm gonna miss the changing of the leaves this year  
And I know I'm gonna make it back there  
As soon as I find myself Soon as I find myself  
I'm gonna make it back there  
Soon as I find myself, soon as I find myself  
I'm gonna make it back there But I know I'm gonna miss the changing of the leaves this year  
And I know I'm gonna make it back there  
As soon as I find myself And I know I'm gonna miss the changing of the leaves this year  
And I know I'm gonna make it back there  
As soon as I find myself
