Backwoods Girls

"Backwoods Girl"

Backwoods girl
Up in the early morn
Haulin water in a cold snow storm
Can't believe all the things that you do
Who couldnâ€™t love a backwoods woman like you?

You walked for miles through the wind and rain
Cabins cold but you never complain
Canâ€™t believe all things that you do
Who couldnâ€™t love a backwoods woman like you?

Who couldnâ€™t love the way you keep that smile upon your face
Your way of telling me thereâ€™s such a thing as harmony

Who couldnâ€™t love the way you keep that smile upon your face
Your way of telling me thereâ€™s such a thing as harmony

Backwoods girl
Wearing the shirt you wore
Biscuits cooking on a hot wood stove
Canâ€™t believe all things you can do
Who couldnâ€™t love a backwoods woman like you?
Who couldnâ€™t love a backwoods woman like you?
