

# Magic position?

Patrick Wolf

So let the people talk  
It's Monday morning walk  
Right past the fabulous mess we're in  
It's gonna be a beautiful day  
So do the bluebirds sing  
As I take your hand  
And you take my kiss  
And I take the world  
'Cause out of all the people I've known  
The places I've been  
The songs that I have sung  
The wonders I've seen  
Now that the dreams are all coming true  
Who is the one that leads me on through It's you  
Who puts me in the magic position, darling now  
You put me in the magic position  
To live, to learn, to love in the major key And I know how you've hurt  
And been dragged through the dirt  
But c'mon get back up  
It's the time to live  
So give your love to me  
I'm gonna keep it carefully  
Deep in the treasure chest below my breast  
'Cause out of all the people I've known  
The places I've been  
The songs that I have sung  
The wonders I've seen  
Now that the dreams are all coming true  
Who is the one that leads me on through It's you  
Who puts me in the magic position, darling now  
You put me in the magic position, darling now  
Let me put you in the magic position, darling  
'Cause I'm singing in the, the major key
