Things To Say

Tingsek

Saturday it came and gone,
you walked right in,
now you're gone /
And I don't know where I belong but it's with you /
Sunday Monday Tuesday came,
Thursday Friday just the same /
Now I'm back to find a way to say /
The things I didn't say //
Chorus: And I would let you know,
you cannot walk away /

Cause there are things to say /
And I know that you might not see this tonight
But there are things to say,
we have life to make //
Walked these streets a thousand times,
a thousand more if it helps me find
/ The place I was where you and I collided /
You walked off and I stood still /
I wonder how our life would feel if you'd looked back and
I had got to say / The things I didn't say
// Chorus x2 //
