

# Gecko (Radio Edit)

Oliver Heldens

Take a moment for yourself  
Get close with the lights down low  
You and I and no one else  
I get the feeling that I wanna explode  
Baby you grab my attention  
Tension burning, fever high  
Take me to another dimension  
Tonight the rules do not apply I can't stop this feeling baby  
Only you can make me come alive  
When we're crashing, let's have passion  
Boy, you've got my heart on overdrive I can't stop this feeling baby  
Only you can make me come alive  
When we're crashing, let's have passion  
Boy, you've got my heart on overdrive This is where I wanna be  
Hands up, feel the bass in my heart  
Give me faith and I will leave  
I take the risk cause you're never too far  
Right now I'm drowning in emotion  
Caution flies right out the door  
Baby you're pushing this devotion  
I can only ask for more I can't stop this feeling baby  
Only you can make me come alive  
When we're crashing, let's have passion  
Boy, you've got my heart on overdrive When my head is spinning, all hands to the ceiling  
I begin to come alive  
When we're crashing, let's have passion  
Boy, you've got my heart on overdrive Overdrive, overdrive  
Overdrive, overdrive  
Overdrive, overdrive  
Overdrive, overdrive
