

We Were Made for You

[Aaron Gillespie](#)

We come to be with you, Come and bring you
Our attention, Our Affection
We're here to be with you, Here to bring you
Our Offering, Here in this place
Deep inside our hearts, We wanna scream it out You are God, You are God, We were made for you, Shout for
you
You are God, You are God, We will live for you, Everything we do, You are God God of creation, You came
from Heaven,
You became a man, bringing hope again
You laid your life down, Took all of our sin
Nailed it to the cross, where you paid it all,
Now we bow our hearts, and stand in awe There's no one like you, You are the only truth
In a world that's so confused, There is no one like you
