Kiss the sun
In your eyes
Love unveiled
I can't deny
Be not warned
Watch it fall
Mesmerize...Close your eyes and begin to breath
Something is coming over me
Lost to find, and a soul to keep
cause you love me...Give this one
On bended knee
Price to pay
Please wait for me
A trial by fire
A setting Sun
A love I've won...Close your eyes and begin to breath
Something is coming over me
Lost to find, and a soul to keep
Cause you love me...Inside, I wait
Inside, I waitKiss the sun
In your eyes
Love unveiled
I can't deny
be not warned
Watch it fall
Mesmerize...Close your eyes and begin to breath
Something is coming over me
Lost to find, and a soul to keep
Cause you love me...Inside, I wait
Inside, I waitClose your eyes and begin to breath
Something is coming over me
Lost to find, and a soul to keep
Cause you love me
you love me
you love me
you love me...
