

# Winterlong

## Smashing Pumpkins

And if I fall into you all  
Will my rain cease and dissolve  
Some come to harm, others to grace  
So let my friends fly under these wings We're giving it up to the sun  
We're giving it up to the moon  
We're giving it up to the earth  
Giving it up from our room  
Know when there's nowhere to run  
Know when there's not much to lose  
Sometimes it seems so long  
Since you had a chance to refuse  
We built a fire  
Winterlong  
Transform to iron  
Winterlong  
I was the first one  
I was the last one to be strong And if I fall into you all  
Will the silence shatter and stall  
Some feel movement, others stand still  
So let the moment become my will We're giving it up to the sun  
We're giving it up to the moon  
We're giving it up to the earth  
Giving it up from our rooms  
Know when there's nowhere to run  
Know when there's not much to lose  
So why does it take so long  
To find out who is who  
We built a fire  
Winterlong  
Transform to iron  
Winterlong  
I was the first one  
I was the last one to be strong We're giving it up to the sun  
Giving it up to the moon  
We're giving it up the the earth  
Giving it up from your room  
We're giving it up to the sun  
Giving it up to the moon
