

Mississippi Moonshine (Miss America 2010)

Saving Abel

I've been watching you,
And your intentions to
Get me out on the floor Undress me with your eyes
To see a sweet surprise
I know I've been here before You think I'm runnin' across the room
Just to be by your side
You gotta another thing comin'
Cause I'm not runnin'
Just to wait and stand
Next in line Let me introduce you ya to miss
Miss almost made it, miss understood
Miss always jaded, miss up to no good
Miss never gonna make it, miss don't know how to take it
You ain't my made in Mississippi, moonshine kinda whiskey What are you gonna do?
Miss can't get you know who
When you end up on your own Undress me with your eyes
It ain't no big surprise
Last call, you're drinkin' alone You think I'm running across the room
Just to be by your side
You gotta another thing comin'
Cause I'm not runnin'
Just to wait and stand
Next in line Let me introduce you ya to miss
Miss almost made it, miss understood
Miss always jaded, miss up to no good
Miss never gonna make it, miss don't know how to take it
You ain't my made in Mississippi, moonshine kinda whiskey You think you've got it so good
Little miss leaving, little miss would if you could
Oh just another little miss wannabe
If you don't know her Let me introduce you ya to miss
Miss almost made it, miss understood
Miss always jaded, miss up to no good
Miss never gonna make it, miss don't know how to take it
You ain't my made in Mississippi, moonshine kinda whiskey
