

Work Of Art

Sonny With a Chance

Everyday is like a blank canvas
You know you can paint it anyway you want it
You can draw black clouds, you can make the sun shine
 Color in a rainbow, or use black and white
 Open up your eyes and your imagination
 Come on let's write a song, a little poetry
Take a photograph, let's make some memories
You can make it anything that you want it to be
 If you follow your heart, life is a work of art
 Every night's like looking at a dark screen
 You're never too young or too old to dream
 You can make your fantasy into a reality
 Cause you're creating your own masterpiece
Close your eyes and dream it, seeing is believing
 Come on let's write a song, a little poetry
 Take a photograph, let's make some memories
 You can make it anything that you want it to be
 If you follow your heart, life is a work of art
 Let's write a song, a little poetry
 Take a photograph, let's make some memories
 You can make it anything that you want it to be
 If you follow your heart, life is a work of art
 Trying to simplify into philosophy
 Turn the star into a galaxy
 Make a little noise into a symphony
 You're creating a masterpiece
 Come on let's write a song, a little poetry
 Take a photograph, let's make some memories
 You can make it anything that you want it to be
 If you follow your heart, life is a work of art
 Come on let's write a song, a little poetry
 Take a photograph, let's make some memories
 You can make it anything that you want it to be
 If you follow your heart, life is a work of art
 Come on let's write a song, a little poetry
 Take a photograph, let's make some memories
 You can make it anything that you want it to be
 If you follow your heart, life is a work of art
 Life is a work of art

Life is a work of art

Life is a work of art

Life is a work of art
