

Rest Of My Life

Kottonmouth Kings

I'm gonna smoke weed for the rest of my life
You can find me postin' on my porch tokin' on a pipe
I'm gonna smoke weed for the rest of my life
See some people gave in but I ain't given up this fight I'm gonna smoke weed for the rest of my life
Find me old postin' on my porch tokin' on a pipe
I'm gonna smoke weed for the rest of my life
See I'm in love with Mary Jane, I'm gonna make her my wife
Yeah, yeah, yeah, for the rest of my life
Yeah, yeah, yeah, for the rest of my life Sometimes I wanna get high
Travel up away to the beautiful skies
Float away and hope to never come down
Hope to see the day that I never come down 'Cause what goes up is always bound to fall
All I'm trying to say is that I live my life raw
Gonna smoke weed the rest of my life
And give all I got till the day that I die, yeah, yeah I'm gonna smoke weed for the rest of my life
You can find me postin' on my porch tokin' on a pipe
I'm gonna smoke weed for the rest of my life
See some people gave in but I ain't given up this fight I'm gonna smoke weed for the rest of my life
Find me old postin' on my porch tokin' on a pipe
I'm gonna smoke weed for the rest of my life
See I'm in love with Mary Jane, I'm gonna make her my wife, yeah You can't see what you're not lookin' for
When I look in the mirror I feel so low
I see my eyes and I feel the glow
I know I can make do, let's bless the sole
Show my love and let myself go, wow Everybody knows that I spit these flows
And I drink my beer, smoke my weed
But my head's in the clear
Show your love respect the one your dreamin' of, oh I'm gonna smoke weed for the rest of my life
You can find me postin' on my porch tokin' on a pipe
I'm gonna smoke weed for the rest of my life
See some people gave in but I ain't given up this fight I'm gonna smoke weed for the rest of my life
Find me old postin' on my porch tokin' on a pipe
I'm gonna smoke weed for the rest of my life
See I'm in love with Mary Jane, I'm gonna make her my wife
Yeah, yeah, yeah, for the rest of my life
Yeah, yeah, yeah, for the rest of my life Let us plant trees that bear positive fruits
And nourish our youth with compassionate truth
That enlighten the minds to the deepest roots
All the way to the core where the soul can stay true Where I can walk free with a joint in my hand

And I can plant plants right upon my land
Help understand these are nature's law's
My creator had visions in the things He saw Yeah, he saw, yeah, yeah
My creator had visions in the things he saw
Yeah, he saw, yeah, yeah
My creator had visions in the things he saw I'm gonna smoke weed for the rest of my life
You can find me postin' on my porch token' on a pipe
I'm gonna smoke weed for the rest of my life
See some people gave in but I ain't given up this fight I'm gonna smoke weed for the rest of my life
Find me old postin' on my porch token' on a pipe
I'm gonna smoke weed for the rest of my life
See I'm in love with Mary Jane, I'm gonna make her my wife, yeah Now, when the love is lost and your spirits
are low
The world's closing in around, you got no place to go
You've done all that you could to ease and please another soul
And in the end you're in the cold, another sad story told That's why I make my own decisions on how I'm livin'
Try to get by with the knowledge that I'm given
Can't make me believe 'cause a tree is a tree
And when my soul bleeds, the color that I'm spillin' is green I'm gonna smoke weed for the rest of my life
You can find me postin' on my porch token' on a pipe
I'm gonna smoke weed for the rest of my life
See I'm in love with Mary Jane, I'm gonna make her my wife, yeah I'm gonna smoke weed for the rest of my
life, yeah
For the rest of my life
I'm gonna smoke weed for the rest of my life, yeah
For the rest of my life I'm gonna smoke weed for the rest of my life, yeah
For the rest of my life
I'm gonna smoke weed for the rest of my life, yeah
For the rest of my life I'm gonna smoke weed for the rest of my life, yeah
It's my life
I'm gonna smoke weed for the rest of my life, yeah
It's my life I'm gonna smoke weed for the rest of my life, yeah
For the best of my life
I'm gonna smoke weed for the rest of my life, yeah
It's my life
I'm gonna smoke weed for the rest of my life, yeah
It's my life
