

Dick For Brains (Millions of Dead Cops)

[MDC](#)

Oh Goddess I love you it's true
I'll do anything you want me to
Why? Why?
Dick for brains, dick for brains
Why am I your dick for brains?
You know it drives me so insane You know I love your power
I wait on your golden shower
Why? Why?
Dick for brains, dick for brains
Not a woman with a clit for brains
You know it drives me so insane You know how I try to please
Got carpet burns on my knees
Why? Why?
Why? Why?
Dick for brains, dick for brains
Why am I your dick for brains?
You know it drives me so insane I love it when you treat me cruel
Let me have the whole damn rule
Why? Why?
Dick for brains, dick for brains
Why am I your dick for brains?
You know it drives me so insane
