Zug Izland

Don't ask us why, we do the things that we do
Don't ask us why, we feel the same as you
Don't ask us why, life can be so damn cruel
Don't ask us why, it's all been decided for you
Pure soul first breath is filled with sin
A young child just born quit suffering
A mother scream, get high, chase the ghost again
This will happen over and over againDon't ask us why, we do the things that we do
Don't ask us why, we feel the same as you
Don't ask us why, life can be so damn cruel
Don't ask us why, it's all been decided for youI look into your eyes, I feel your pain, life's insane
I'm gonna do my best and try and live again
I know we're all the same we live our lives just like a game
And still we do it over and over againDon't ask us why, we do the things that we do
Don't ask us why, we feel the same as you
Don't ask us why, life can be so damn cruel
Don't ask us why, it's all been decided for youFirst communion done, now your life has just begun
Second plot the whole world is looking with a gun
Another child will do it when he's on the run
The vicious circle of life has just begunDon't ask us why, we do the things that we do
Don't ask us why, we feel the same as you
Don't ask us why, life can be so cruel
Don't ask us why, it's all been decided for you
Don't ask us why, we feel the same as you
Don't ask us why, life can be so damn cruel
Don't ask us why, it's all been decided for you
Don't ask us why, we feel the same as you
Don't ask us why, feel the same as you
Don't ask us why, we do the same as you
Don't ask us why, it's all it's all yeah
Don't ask us why, it's all been decided for you
