

Top Of The World

Trey Songz

(Only If I Could!!!!)Money On My Mind So These Haters In The Way
Having Conversation With The Paper Every Day
I Ain't Talking Short Bread , Girl With That Magic Cake
Plus I Spend It I Can't Take It When The Lord Takes Me Away
With My Lighter, With My Lighter
Hey Sissi, Fill My Drink Up
Ain't No Purple, Ain't No Take Up In This Red Cup That I'm Fucked Up
Staring At Your Body, God Damn Your Sexy Body
I'm Trey I Came To Play On, And Use You As My Hobby Girl
Seen So Many Faces In These Unfamiliar Cities
Bright Skylines Got A Nigga Kinda Dizzy
They Trying To Take My Spot Well They Gonna Have To Come And Get Me
My Crib Is At The Top Anybody Rolling With MeChorus:
If I Could I Would Bring The Whole Hood To The Top Of The World, With Me
Is My World, For Free
Trying To Give You What You Came To See
If I Could I Would Bring The Whole Hood To The Top Of The World, With Me
Is My World, For Free
Trying To Give You What You Came To See.You Say You're Working Harder And I Swear That You're A Liar
They Swear They Hot as Me, But They Ain't Never Felt The Fire
If You're Talking Money, Boy You Preach Into The Choir
And I Be In Her Brain She Can't Think Of Nothin Flyer
For My Nigger In The Hood,
Looking At These Other Niggers That I'm Wishing They Would
Cause They Ain't No Good,
If I Could I Would Reach Up My Hands
Everybody That's Suffering
Push You Down, Get Up Again
Play By My Rules, So Fuck The Plan!
It's Money On My Mind Saw These Haters In A Way
Having Conversations With The Paper Every Day
I Ain't Talking Short Bread , Girl With That Magic Cake
Plus I Spend It I Can't Take It When The Lord Takes Me AwayChorus:
If I Could I Would Bring The Whole Hood To The Top Of The World, With Me
Is My World, For Free
Trying To Give You What You Came To See
If I Could I Would Bring The Whole Hood To The Top Of The World, With Me
Is My World, For Free
Trying To Give You What You Came To See.Lately I'm Smoking more...Trying To Give Yo uWhat You Came

To See...
Top Of The World...With Me
Trying To Give You What You Came To See Yeah, Lately I'm Smoking More
But Still I'm Focused More,
I live Today, Cuz See Tomorrow
I Don't Know For Sure
You I Wrote This For
Hmm, Oh You're Dope For Sure
Oh Yeah, You're Raw, So Get A Cookin
Let 'Em Know You're Pure!
I Pray For This, Pray For This
So I'm Made For This
You Nigga Are Just Pot Holes In The Road That I Paved For This
Obama Tryna Turn This Mother Fucker Round
And Look, They're Trying To Put That Mother Fucker Down
Women, Please Check For Sumthin More Than Stilettos
And Young Girls, Make These Lil Niggas Respect You
If I Was Your Father, I'd Never Neglect You
So A Nigga Like Me Prob'ly Never Met You
Prob'ly Some Special, And I'm Happy I Met You
But You Really Wanna Know Me I Just Wanna Sex You
After You Wanna Cuddle, I Don't Want, But I Let You
You Made Me Promise, And I'm Honest, Try Not To Forget You!
Bond Growing Stronger With The Brothers That Look Up To Me
It's More Important Than Whatever That They Fuck With Me
Luckily My Angels Speak To God, Like What's Up For Me
My Heart Beat For The People Who Carry The Love For Me.
Left My Feelings In The Past, You Can't Get In Touch With Me
If You Want It i Give Em Cash, I Do It Reluctantly
But That's My Nigga, I'mma Put It Back Upon His Feet
And If He Fall, He Can Still Come Right Back To Me. Wish I Could Take Everybody, Nigga
Everybody Caint go though...I'm doin my best
(If I could then I would)Everybody Caint Go!Imma take who I can(Only If I Could!!!!)
