Spend The Night

Guy

Yo, what's up boo?
I know we never had a love like this before
But you know, I wanna be that one for you
Yo, Tim and Bob, drop thatAnd I'm not the average guy
'Cause I cherish you and I'm lovin' you baby
I'm tellin' you to single these guys
'Cause you really got my heartYou better hold onto me tight
It's not a dream, it's reality
And if you down, you got me for life
'Cause I really love you, girlI'm gonna be the one
That comes home after work
And fix your bath water
I'm gonna be the kinda guy
That'll never do you wrongI'm gonna be the kinda guy
That ain't flippin' out when you with your girls
I'm gonna be the kinda guy
That'll make love through the nightEvery night I'm treatin' you right
'Cause our chemistry is a mystery
To everyone lookin' from outside
'Cause they want what we haveWhen I look right in your eyes
I see your soul and I'm the mate baby
If you down you got me for life
'Cause I really love you, girlYour smile cuts through like a knife
And what you doin' for the rest of your life
'Cause I'm thinking of presenting you with a ringHope you accept this invitation
Everyday will be a celebration
Birthdays, holidays, could feel the sameI'm gonna be the one
That comes home after work
And fix your bath water
I'm gonna be the kinda guy
That'll never do you wrongI'm gonna be the kinda guy
That ain't flippin' out when you with your girls
I'm gonna be the kinda guy
That'll make love through the nightI'm gonna be the one
That comes home after work
And fix your bath water
I'm gonna be the kinda guy
That'll never do you wrongI'm gonna be the kinda guy
That ain't flippin' out when you with your girls

I'm gonna be the kinda guy
