

# Worst Thing That Can Happen

A

Standing with a headache  
I try to fight but I can't deny the pain  
Reservations what I got  
From the bottom to the top  
On the bottle, 5 times a day  
Standing with the top line  
You know it's gonna hurt when I close my eyes  
And I'm shaking and I feel so alive  
Stand up and face it  
Get up, don't waste it  
What's the worst thing that could happen?  
What's the worst thing that could happen?  
You're bored out of ya mind  
Fighting all the time  
What's the worst thing that could happen?  
What's the worst thing that could happen to you?  
When there's nothing on  
You find yourself caught in the spotlight  
You try to fight but you can't delight the phase  
On your knees is what you're not  
Keeping what you got  
Don't try to hide your face, caught in a flashlight  
You know it's gonna hurt when I close my eyes  
And I'm breaking and I feel so alive  
Stand up and face it  
Get up, don't waste it  
What's the worst thing that could happen?  
What's the worst thing that could happen?  
You're bored out of ya mind  
Fighting all the time  
What's the worst thing that could happen?  
What's the worst thing that could happen to you?  
When there's nothing right  
When there's nothing right  
Stand up and face it  
Get up, don't waste it  
What's the worst thing that could happen?  
What's the worst thing that could happen?  
You're bored out of ya mind

Fighting all the time  
What's the worst thing that could happen?  
What's the worst thing that could happen?  
You're bored out of ya mind  
Fighting all the time  
What's the worst thing that could happen?  
What's the worst thing that could happen?  
You're bored out of ya mind  
Fighting all the time  
What's the worst thing that could happen?  
What's the worst thing that could happen to you?
