

Crazy Love

Michael Bublé©

I can hear her heart beat for a thousand miles
And the heavens open up every time she smiles
And when i come to her, thats where i belong
Yet im running to her like a rivers song

She gives me love, love, love, love, crazy love
She gives me love, love, love, love, crazy love

She's got a fine sense of humor when I'm feeling low down
And when I come to her when the sun goes down
She takes away my trouble, takes away my grief
Takes away all of my heartache, in the night like a thief

She gives me love, love, love, love, crazy love
She gives me love, love, love, love, crazy love
(love love love love) Crazy love
She gives me love, love, love, love, crazy love

Yes I need her in the daytime
Oh, but I need her in the night
Yes I want to throw my arms around her
Kiss and hug, kiss and hug her tight

And when I'm returning from so far away
She gives me some sweet lovin' brighten up my day
Yes it makes me righteous, it makes me feel whole
And it makes me mellow down to my soul

She gives me love, love, love, love, crazy love
She gives me love, love, love, love, crazy love
She gives me love
I need a love, love, love, love, crazy love
Crazy love, crazy love, crazy love
