

Don't Cry for Louie

Vaya Con Dios

I gave up all my friends
My girls from out of town
Bought her what she wanted
Yet she let me down When she saw me crying
She said, I had no heart
When my heart was bleeding
She turned around and laughed Girls don't cry for Louie
Louie wouldn't cry for you
When you walk the streets for Louie
You better do what Louie tells you to I met Louie on a hazy mornin'
When the bars where closin' down
He said, "Honey, I really like your prancing
You and I we'll burn this town" This woman, sir, mislead me
Hurt me in my pride
Who are you to judge me?
Who are you to take her side? She cheated on me, mister
Told me nothing but lies
I just had to teach her
Not to overstep the line Girls don't cry over Louie
He wouldn't waste a tear on you
When you walk the streets for Louie
You ain't walking down no avenue I met Louie on an early mornin'
In a sleazy part of town
I was tipsy and feeling kind of lonely
Louie offered me his arm He said, "You and I, we'll burn this town"
He said, "You and I, we'll burn this town"
