

What You Waiting For?

Gwen Stefani

What an amazing time
What a family
How did the years go by?
Now it's only me
Tick tock, tick tock
Tick tock, tick tock
Tick tock, tick tock
La la la la la la
Like a cat in heat stuck in a moving car
A scary conversation, shut my eyes, can't find the brake
What if they say that you're a climber?
Naturally I'm worried if I do it alone
Who really cares 'coz it's your life you never know, it could be great
Take a chance 'coz you might grow
What you waiting
What you waiting
What you waiting
What you waiting for?
What you waiting
What you waiting
What you waiting
What you waiting for?
Tick tock, tick tock
Tick tock, tick tock
Take a chance you stupid ho
Like an echo pedal, you're repeating yourself
You know it all by heart, why are you standing in one place?
Born to blossom, bloom to perish
Your moment will run out 'coz of your sex chromosome
I know it's so messed up how our society all thinks
Life is short, you're capable
Look at your watch now
You're still a super hot female
You got your million dollar contract
And they're all waiting for your hot track
What you waiting
What you waiting
What you waiting
What you waiting for?
What you waiting
What you waiting
What you waiting
What you waiting for?
I can't wait to go back and do Japan

Get me lots of brand new fans
Osaka, Tokyo, you Harajuku girls
Damn, you've got some wicked styleGo, look at your watch now
You're still a super hot female
You got your million dollar contract
And they're all waiting for your hot trackWhat you waiting
What you waiting
What you waiting
What you waiting
What you waiting for?What you waiting
What you waiting
What you waiting
What you waiting
What you waiting for?What you waiting for?
What you waiting for?
(What you waiting for?)
Take a chance, you stupid ho
Take a chance, you stupid hoWhat you waiting for?
What you waiting for?
(What you waiting for?)
Take a chance, you stupid ho
Take a chance, you stupid ho
