

Saneless Theory

Benediction

Obscure oppression, from within
Controlled behaviour
Mass suppression in complex systems
Dictate before the birthChorus:
Underlying confusion
Life breaks free
A mournful expansion
Saneless theoryThose detractors unnatural order
Erratic recursion of thought
Irrational change, the aspect of life
Chaotic order sought(chorus)Regularity / random
Fractal complexity
Witness sterile fluctuation
Saneless theoryRuling powers assimilate
Overshadow, subjugate
No predictions an unfound dream
Egress realityYet devotions are amplified
Into chaotic theme
Enter chaos!Their passionate numbness
Ascetic credibly
Hidden in the emerging field of
Saneless theory
