

Saturdayâ€™s Song

Hiss Golden Messenger

When Saturday comes I'm gonna lose myself
When Saturday comes I'm like everybody else
I might get a little crazy
I'm gonna drink some whiskey
Let me beWhen Saturday comes I'm gonna rock my soul
When Saturday comes I'm gonna lose control
I might get a little crazy
I'm gonna wake up Sunday
Wanna D-I-EWhen Saturday comes I'll be feeling no pain
When Saturday comes not knowing my name
I might get a little crazy
I've got my baby waiting at home for meWhen Saturday comes I'm gonna heal myself
When Saturday comes with the lamb and the four swords
I might get a little crazy
Hey, here comes Sunday waiting for me
