Teardrops In My Heart

Teresa Brewer

1) youl never know I cried , when I found out you
lied
for Ive been hangin on this teardrops in my heart
2) my eyes dare not reveal , the way I realy feel
because I know Il cry my heart out if I start
* though Im pretending , that I dont care
to be with you my darlin , is my prayer
3) but way down deep inside , I cant give up my pride
so Ill just keep on hiding teardrops in my heart
(SOLO PIANO)
3) repeat
