

Teardrops In My Heart

Teresa Brewer

- 1) youl never know I cried , when I found out you
 lied
for Ive been hangin on this teardrops in my heart
- 2) my eyes dare not reveal , the way I realy feel
 because I know Il cry my heart out if I start
 * though Im pretending , that I dont care
 to be with you my darlin , is my prayer
- 3) but way down deep inside , I cant give up my pride
 so Ill just keep on hiding teardrops in my heart
 (SOLO PIANO)
