smokin on that Lala got her feelin Melo
So If you want we can match... whewwwwwIf I'm the blunt

Fire it up I'm a smoker
Fire it up I'm a smokerI met her at the Texaco buying cigarillos
Smokin on that Lala got her feelin Melo
So if you want we can match one like Uno
Kick it witcha boy like Daniel LaRusso
Told me she ain't had nothin to do, so
Told her what it do tho?
Took her to the studio
Passin blunts like Rubio
Told me she do videos,
Really tho?
Looking for a boss?
Well I'm the C.E.OIf I'm the blunt
you can be the lighter babe
Fire it up I'm a smoker
Fire it up I'm a smokerWhat!? I'm a smoker, (laughs)
I smoke kush, Sour Dielsel, Train Wreck
And some other type shitSplit her up I'm in her guts lick her up like a blunt
Beat the pussy up and afterwards we smoke a blunt
Fatter than Professor Klump, Kush got us gone
We'll be back next month
I'm exactly what she want she exactly what I need
She don't fuck with you chumps cuz I smoke the best weed
Got her eyes Vietnamese but she look like Alicia Keys
Higher than the twenty eights sittin up on the CapriceIf I'm the blunt
you can be the lighter babe
Fire it up I'm a smoker
Fire it up I'm a smokerOoh, la-la-la
Smokin on that kush got me thinkin I can sing
Ooh, la-la-la
I don't give a fuck I'm just doing my thangIf I'm the blunt
you can be the lighter babe
Fire it up I'm a smoker

Fire it up I'm a smoker
