

I Play and Sing

Dawn

I play and sing
Dawn When they ask me for my autograph
I catch you in the corner of my eye
And I know that smile upon your face
Means we made it girl, you and I
From the hard life on the south side
To the spotlight here on the stage [Chorus:]
Now watch me play
Hear me sing la-la-la la-la-la-la
I play and sing for you la-la-la-la
Hear the applause Without you, no telling where I'd be
Singing me a different song
Breaking rocks for ten or twenty years
But you wouldn't let me go wrong
Standing by me 'cause you love me
Now darling, this one's for you [Chorus x3] Now watch me play
Hear me sing la-la-la la-la-la-la
