Cry No More

Charlie Wilson

Sometimes your bridges get hard to cross I know,
Me I'm just taking mine one day at a time you know what I'm sayingI'm so alone, Help me Lord, things are getting rough,
No where to go, no where to turn, I've had about enough
Believe me now I don't know what to do why oh why
You never know, what's happened to me
So I get down on my knees begging you Lord to help me please,
Only heaven knows the pain I feel inside of me. Ow yeah,Hear me out Lord,
I want to let you know
I don't have to cry no more, no no no
I found a friend yeah who will never let me down
I don't have to hurt no more, no no no no no
But help the child who's lost the loveEverytime, I try my best,
It seems I'm doing wrong, Oh yeah
When I think about, what I've done to me
I had to make a change oh yeah
Then you stepped in and turn my life around
I'm free again from the pain that I felt
And oh I need you Lord more and more
So I get down on my knees begging you Lord to help me please
Only heaven knows the pain I feel inside of me.Hear me out Lord,
I want to let you know
I don't have to cry no more, Oh
I found a friend yeah who will never let me down
I don't have to hurt no more, no no no no no no no
You came to me that day I was standing in the rain
You stepped into my life when the storm returned again YeahI don't have to cry no more, no no no no no
I found a friend yeah, who will never let me down
I don't have to hurt no more, no no no no help me singHear me out Lord,
I want to let you know
I don't have to cry no more, no no no no
I found a friend yeah who will never let me down
I don't have to hurt no more, no no no no
Hear me out Lord,
I want to let you know
I don't have to cry no more, no no no noI found a friend yeah who will never let me down
I don't have to hurt no more, no no no no
No Crying
