

# Night of the Hunter (Shannon Leto Remix)

## Thirty Seconds to Mars

I was born of the womb of a poisonous man  
Beaten and broken and chased from the land  
But I rise up above it, high up above it and see  
I was hung from the tree made of tongues of the weak  
The branches were bones of liars and thieves  
Rise up above it, high up above and see Pray to your god, open your heart  
Whatever you do, don't be afraid of the dark  
Cover your eyes, the devil inside [Chorus]  
One night of the hunter  
One day I will get revenge  
One night to remember  
One day it'll all just end, oh  
Oh oh, oh oh, oh oh  
Oh oh, oh oh, oh oh oh (Un, deux, trois, cinq)  
Blessed by a bitch from a bastard's seed  
Pleasure to meet you but prepare to bleed  
Rise, I'll rise, I'll rise  
Skinned her alive, ripped her apart  
Scattered her ashes, buried her heart  
Rise up above it, high up above and see Pray to your god, open your heart  
Whatever you do, don't be afraid of the dark  
Cover your eyes, the devil inside [Chorus] Honest to God I'll break your heart  
Tear you to pieces and rip you apart  
Honest to God I'll break your heart  
Tear you to pieces and rip you apart  
Honest to God I'll break your heart  
Tear you to pieces and rip you apart  
Honest to God I'll break your heart  
Tear you to pieces and rip you apart Woah, woah, woah, woah  
Woah, woah, woah, woah [Chorus]
