Sentimental Favorite

Owsley

Waiting for someone to finish the story
Of a heart that's been broken and thrown on the floor
Picking up pieces to put back together
Hoping it beats like beforeIt's all between you and it's all between me
But in-between the lines what could it mean
When you say what you mean, do you mean what ya say?
Am I the sentimental favorite of the day?I am the coat that you keep in your closet
That you pull up around you whenever it's cold
It's not the weather that keeps us together
It's the warmth of my hand that you holdIt's all between you and it's all between me
But in-between the lines what could it mean
When you say what you mean, do you mean what ya say?
Am I the sentimental favorite of the day?(Tell me baby what you see is it me?)
Are you looking for tenderness?
(Said the sentimental favorite of the day)
Please be sincere, my dear, with me
Can I solve your mystery?It's all between you and it's all between me
But in-between the lines what could it mean
When you say what you mean, do ya mean what ya say?
Am I the sentimental favorite of the day?Tell me baby what you see is it me?
Said the sentimental favorite, say what you meanWhen you say what you mean, do ya mean what ya say?
Am I the sentimental favorite of the day?
