Time to Say Goodbye

Nina

Just the other day I said hello to you
Now it seems time has passed us by
I wish there was a treasure I could show to you
To make our love come back and never die.

Chorus:
But it's time to say goodbye don't know
why things happens as they do
With only you, now think I'm gonna cry
But at least i know we tried
Oh baby it?s time to say goodbye.
Goodbye to all the things we hold so deep to us.
Goodbye to all the things we used to do.
Goodbye to everybody far and near to us
But that won?t ever stop me from loving you.
Now it?s time to say goodbye
Don?t know why
Things happen as they do if only you
Wish I didn?t have to go
But deep inside I know
That baby it?s time to say goodbye.
It?s time to say goodbye
It?s time to say goodbye
Time to say goodbye
Time to say goodbye
Goodbye?goodbye

But it's time to say goodbye don't know
why things happen as they do
With only you, but think I have to go
But deep inside I know
That baby it?s time to say goodbye.
It?s time to say goodbye
It?s time to say goodbye
Time to say goodbye
It?s time to say goodbye to all the things we used to do now
It?s time to say goodbye to all the family and friends
It?s time to say goodbye to all the friends we used to see now
Even though I know that this is really not the end

Time to say goodbye
Time to say goodbye
Time to say goodbye
Goodbye
