

Youth Rebellion

Tribal Seeds

Rebel Lion, rebel lion
Woy yo, woy yo yo yo yo

Youth Rebellion (repeat)

Set I free slave driver man
Set In I free oh system of satan
Cant fool I forever
Cant chain I to the ground
Never stop I chanting
Till death bring me down

Youth Rebellion (repeat)

Taking up lies for your root
Satisfaction for them greed
Will kill secretly for money
The lion fulfill prophecy
Lion fulfill prophecy
Whole nation bow on your knee
Tongue confess all wicked deeds
Let the youth live in peace
So chant

Youth Rebellion (repeat)
