

Corruption

Iggy Pop

From the drip, drip, drip of the teardrops
To the chink, chink, chink of the cash
To the end, end, end of the friendships
To the wack, wack, wack of the bashCorruption, corruption, corruption
Rules my soul
Corruption, corruption, corruption
Rules my soulFrom the tick, tick, tick of your time's up
To the yes, yes, yes of 'I'll sell
From the fact, fact, fact of the soulless
To the pact, pact, pact with hellCorruption, corruption, corruption
Rules my soul
Corruption, corruption, corruption
Chills my bonesCorruption, corruption, corruption
Rules my soul
Corruption, corruption, corruption
Chills my bonesFrom the scream, scream, scream of the babies
To the retch, retch, retch of the youth
From the lie, lie, lie of the righteous
To the lost, lost, lost way I feelCorruption, corruption, corruption
Rules my bones
Corruption, corruption, corruption
Chills my bonesCorruption, corruption, corruption
Rules my soul
Corruption, corruption, corruption
Rules my soul
Corruption, corruption, ohOrder in the court, decision to abort
The monkey wants to speak
So, speak, monkey, speakSpeak, monkey, speak
Speak, monkey, speak
Speak, monkey, speak
Speak, monkey, speakEverything leads to corruption
Everything leads to corruption
Corruption
