Obvious

Blink 182

I saw you again
(Ya, ya, ya)
I think you used me again
(Ya, ya, ya)
Should we try this before we give up and move on?
And pretend to restore what we have and hold on
At times like these
It's obvious
I saw you again
(Ya, ya, ya)
I know you fucked him again
(Ya, ya, ya)
Can you comfort yourself with a sense of revenge?
Are you leaving me here with the taste of the end?
At times like these
It's obvious
At times like these
It's obvious
I saw you again and again and again
There's some room to move on, to move on, to move on
I saw you again and again and again
How do we fix this if we never have vision?
I saw you again and again and again
There's some room to move on, to move on, to move on
I saw you again and again and again
How do we fix this if we never have vision?
(At times like these)
I saw you again and again and again
There's some room to move on, to move on, to move on
(It's obvious)
I saw you again and again and again
How do we fix this if we never have vision?
(At times like these)
I saw you again and again and again
There's some room to move on, to move on, to move on
(It's obvious)
I saw you again and again and again
How do we fix this if we never have vision?
