

Just Once

Shura

(Verse 1)

I've lost count
of how many times we've disagreed
But it's the third time
we've fought together this week
Baby it's nothing,
maybe I just need some time on my own(Pre- Chorus)

Just once

I'm gonna go and get drunk(Chorus)

If you get my name wrong
I wont get pissed off
cause I wish I was somebody else
You know nothing about me
I know nothing about you
but maybe the question mark helps
Have you ever been lost?
we could get lost
I wanna get lost
Have you ever been lost?
we could get lost
I wanna get lost(Verse 2)

I'm not sure

if I'm jus thinking 'bout it too much
Or if I'm just looking
for an excuse for us to break up
Maybe I want to,
Maybe I need to
FInd a way to tell you
that I wanna let you go(Pre-Chorus)

Just once

I'm gonna go and get drunk(Chorus)

If you get my name wrong
I wont get pissed off
cause I wish I was somebody else
You know nothing about me
I know nothing about you
but maybe the question mark helps
Have you ever been lost?
we could get lost,

I wanna get lost.
