Ex Inferis

Dol Kruug

On a dusty shelf, burried over ground
In the corner of the attic
Where the bats come and playOh, they linger on
Preserved, embraced in silence
A script, a tale, kept from the light of dayThe fear of god
A recital of a story only for the strong to findAs you kneel down, you feel the cold wind blow
Kill the switch, lock all the exits
The curse, the spell the words begin to glowThe sun is silent
Nice circles, the passage into the abyssEx Inferis, remember my name
Ex Inferis, demon from HellAbandon hope as you step inside
The rebellion of angels
Who reside these darkened shoresOh, waist deep in ice
Surrounded by the fire
The purgatory gate, nowhere to goThis is your calling
Malicious and violent, the circles of hellLimbo, lust and gluttony
Rage out of control
Greed and anger, heresy
The price to clense thy soulEx Inferis, remember my name
Ex Inferis, demon from Hell
Ex Inferis, remember my name
Ex Inferis, demon from HellAll for one, but none for all
Enslaved, we will succumbe
Violence, fraud, no Kingdome Come
Reborn in treacheryEx Inferis, remember my name
Ex Inferis, demon from Hell
Ex Inferis, remember my name
Ex Inferis, demon from HellEx Inferis
