

# Ex Inferis

## Dol Kruug

On a dusty shelf, burried over ground  
In the corner of the attic  
Where the bats come and play Oh, they linger on  
Preserved, embraced in silence  
A script, a tale, kept from the light of day The fear of god  
A recital of a story only for the strong to find As you kneel down, you feel the cold wind blow  
Kill the switch, lock all the exits  
The curse, the spell the words begin to glow The sun is silent  
Nice circles, the passage into the abyss Ex Inferis, remember my name  
Ex Inferis, demon from Hell Abandon hope as you step inside  
The rebellion of angels  
Who reside these darkened shores Oh, waist deep in ice  
Surrounded by the fire  
The purgatory gate, nowhere to go This is your calling  
Malicious and violent, the circles of hell Limbo, lust and gluttony  
Rage out of control  
Greed and anger, heresy  
The price to clense thy soul Ex Inferis, remember my name  
Ex Inferis, demon from Hell  
Ex Inferis, remember my name  
Ex Inferis, demon from Hell All for one, but none for all  
Enslaved, we will succumbe  
Violence, fraud, no Kingdome Come  
Reborn in treachery Ex Inferis, remember my name  
Ex Inferis, demon from Hell  
Ex Inferis, remember my name  
Ex Inferis, demon from Hell Ex Inferis
