

# Too Much (Orchestral Version)

## Spice Girls

Love is blind, as far as the eye can see  
Deep and meaningless, words to me  
Easy lover, I need a friend  
Road to nowhere, twist and turns but will this never end  
Well my dear you'll know that he pleases me (eases me)  
But short term solution ain't no resolution  
There ain't no release for me Too much of something is bad enough  
But something's coming over me to make me wonder (ooh)  
Too much of nothing is just as tough  
I need to know the way to feel to keep me satisfied (ooh) Unwrap yourself from around my finger  
Hold me too tight or left to linger  
Something fine built to last  
Slipped up there I guess we're running out of time too fast  
Yes my dear you know he soothes me (moves me)  
There's no complication there's no explanation  
It's just a groove in me Too much of something is bad enough (bad enough)  
But something's coming over me to make me wonder (ooh)  
Too much of nothing is just as tough (just as tough)  
I need to know the way to feel to keep me satisfied (ooh) What part of no don't you understand (understand,  
understand)  
I want a man not a boy who thinks he can  
Boy who thinks he can Too much of something is bad enough  
But something's coming over me to make me wonder (ooh)  
Too much of nothing is just as tough  
I need to know the way to feel to keep me satisfied (ooh)  
Too much of nothing so why don't we give it a try  
Too much of something we're gonna be living a lie  
Too much of nothing so why don't we give it a try  
Too much of something we're gonna be living a lie  
Too much of nothing so why don't we give it a try  
Too much of something we're gonna be living a lie
