

Is It True What They Say About Dixie?

Dean Martin

Is it true what they say about Dixie
Does the sun really shine all the time
Do the sweet magnolias blossom at everybody's door
Do the folks keep eating possum til they can't eat no more
Is it true what they say about Swanny
Is a dream by the stream so sublime
Do they laugh do they love like they say in every song
If it's true that's where I belong
Is it true what they say about Dixie
Does the sun really shine all the time
Well do the sweet magnolias blossom at everybody's door
Do the folks keep eating that possum til they can't eat no more
Is it true what they say about Swanny
Is a dream by the stream so sublime
Do they laugh love like they say in every song
If it's true that's where I belong
