Grind mode, grind mode, bitch I'm on grind mode
Put it in the pot, then I whip it with my eyes closed
Grind mode, grind mode, bitch I'm on grind mode
Stop, check the watch like tell me where time go
I do it, I do it, bitch I do it, I do it
I said I do it, I do it, bitch I do it I do it
I said I do it, I do it, bitch I do it I do it
I said I do it, I do it, bitch I do it I do itBitch I
Am a master with it
I'm with the clique and we thick like fat bitches
I got the work in the pot, got the work in the pot
Do it so much my bitch call me Sir Mix-A-lot
Then I'm back on the block with my work in my sock
Ducking from the cops 'cause a nigga got a glock
Try to rob me then a nigga getting shot like
Riding real slow with a black ass tint
Nigga can't stand no black ass bitch
Bitch I gotta fat ass dick, go hard on a bitch like a mad ass PIMP
In the streets all day, nigga 24/7
Bringing niggas hell to the streets of heaven
I don't preach nigga, I ain't no reverend
But I'm about to blow like 9-11
Ten racks of cash in a nigga pocket
Shaquille O'Neil these niggas be blocking
The cops keep watching so a nigga gotta move
Yeah a nigga gotta do what a nigga gotta do
Faker than I get, that's just how a nigga live
Ass hole naked, yep that's how I like my bitches

Please do not mistake us, my partner beat a murder trial
We ain't seen shit we ain't heard of y'all
Yeah I'm serving y'all niggas no ceramic

Ay
Look, back to back in these Benzes
V12 in my engines
Riding around with my pistol, 'cause if niggas try I'm gone kill 'em
Fuck what niggas be talking about
I got long clips and I chalk 'em out
Poker face, I won't talk about it
This war shit I'm all about it, look
These niggas know, on my grind and I'm getting dough
Ain't a place I ain't been before
I'm buying real estate and getting 10 a show
No subliminals, I be fucking you niggas' hoes
She look like a centerfold and she lick me like a envelope
I'm in control, in the game, in my zone, on any stage
And at this rate how I'm getting paid, I'd be a millionaire any day
More money, more problems, I bought more guns so it's no problems
Bro keep it and I'm so Slauson all money Pushaz we so poppin'
In grind mode, grind mode
Used to do it for survival
In the spot with them blinds closed
I can chop a zone with my eyes closed
Flip 2 pounds bought 5 more

Hit the mall and bought fly clothes
Drop the tank then I shine more
150 Thou is what I sign for now that's Grind mode, grind mode, bitch I'm on grind mode
Put it in the pot, then I whip it with my eyes closed
Grind mode, grind mode, bitch I'm on grind mode
Stop, check the watch like tell me where time go
I do it, I do it, bitch I do it, I do it
I said I do it, I do it, bitch I do it I do it
