

# Breaking Up

## Mimes On Rollercoasters

Why do we fight every day that weâ€™re together?

Where did you go?

Donâ€™t you know?

I love you more than before.

All of my hope is nearly gone.

What can I do to get you to realize that itâ€™s you I was singing to all along?

Can I still trust that you will be there forever?

Where did you go?

Donâ€™t you know?

I love you more than before.

All of my hope is nearly gone.

What can I do to get you to realize that itâ€™s you I was singing to all along?

Thatâ€™s it!

But Mimi.

Go Marcel, Go!

But Mimi!

Leave!

Just Go!

Iâ€™m going my own way now.

Have a good life!

Where did you go?

Donâ€™t you know?

I love you more than before.

All of my hope is nearly gone.

What can I do to get you to realize that itâ€™s you I was singing to all along?
