

Like The Seasons

Warren Zevon

by Warren Zevon

c. Zevon/Ismael Music/BMI

I have learned that love can turn

Like the seasons

And I know you had to go

You've got your reasons

Still I wish you would stay

Tell me why you are going away

It hurts me not knowing

And I believe that love's light leaves in September

But Fall; and all I do is remember

Still I wish you would stay

Tell me why you are going away

It hurts me not knowing

How I have wronged you

Oh, how I long to hold you again

Like summer never ended

But winter must fall and I will give all

Of my love to someone new

For summer must follow too, and you

And I have learned that love can turn

Like the seasons

And I know you had to go

You have your reasons

Still I wish you would stay.....
