Walls

All Time Low

Hey there, it's good to see you again It never felt right calling this just friends I'm happy if you're happy with yourselfTake off your shirt, your shoes Those skinny jeans I bought for you We're diving in, there's nothing left to loseI'm gonna break down these walls I built around myself I wanna fall so in love with you and no one else Could ever mean half as much to me as you do now Together we'll move on, just don't turn around Let the walls break downI used to wear you like a ball and chain I'd run and hide at the call of my name It was obvious, you were too much for me Oblivious, I was young and hornyIn retrospect, I wouldn't do it again Stop talking shit to every one of your friends I'm not the same boy you knew back then'Cause I can break down these walls I built around myself I wanna fall so in love with you and no one else Could ever mean half as much to me as you do now Together we'll move on, just don't turn around Let the walls breakI can't breathe, my body's shaking You got a way with the way you take me 'Cause you break me down You know you break me downI'm gonna break down these walls I built around myself

I wanna fall so in love with you and no one else

Could ever mean half as much to me as you do now

Together we'll move on, just don't turn aroundLet the walls break down

(I'm gonna break down these walls I built around myself)

Let the walls break down

(I'm gonna break down these walls)'Cause you break me down ('Cause you break me down, 'cause you break me down)

Let the walls break down
